A good team performance produced a good victory in this friendly after the first half finished 0-0 it took a good run down the wing from Simon Comben to start the scoring for Weymouth, Simon stormed through the New Milton to score in the corner. Weymouth then continued to pressurise the New Milton defence and after being awarded a 5 m scrum after New Milton had taken the ball into there own try area and ground it, from the scrum No8 Tom Beech flew off the base and offloaded to scrum half Gordon Tye who crossed in the corner, 10-0 to Weymouth. As the game wore on it Weymouth dominated more and more and it was Andy Bowditch that stormed over to score the last try of the game, with new fly half Nick Sheppard adding the extra's.

Second team Captain Kevin Leatham said" Well done to all of the players, we played well today and the score line I believe reflected the game, most of all I really impressed with our defence"

The club has applied for a grant from the NatWest Community Force and we need your help if we are to succeed in our application. Please take time to vote for the project at <http://communityforce.natwest.com/project/3258>

also please ask your friend and family to vote for us, should we be successful we are looking to spend the money as follows:-

Replacement tackle bags, new rugby balls for training + match balls. Post protectors. Bins. A secure storage area. A new grass mower (ours has blown up!) Plus fencing work to keep the dogs off the pitches. Its a real health & safety issue at the moment and very unpleasant for the players.
