Volunteer help

The club will be asking for additional help from all of our members to help us with the following events:-

Saturday 28th & Sunday 29th April , Breakaway under 7's to 12's Festival, we will need help with refereeing, catering, car park marshalling, pitch management etc. The festival runs from 10 till approx 1500 on both days but in order to set up and clear up we will need help for most of the day. Please speak to Jason Weston and parents please be aware that the children will have games on both days !

July / August 2012

The club is being offered the chance to help Active Dorset & the RFU run the two week sports event on Weymouth beach during the Olympics. We are being asked for approx 4 volunteers per day for 2 weeks and we will be able to market the club and recruit at the same time. Please speak to Chris Davis about this.
