

Don't miss a great opportunity this summer!

A Socious Sports rugby workshop is the ideal way to expose your child to the latest rugby coaching techniques from the Southern Hemisphere.

All of the coaches at our workshops come to us from New Zealand, Australia, South Africa or the Pacific Islands; many of them have coached or played at National level, they all share a love of the game and are keen to pass their experience and enthusiasm on to the rugby playing youth of the UK

Each coach is fully CRB checked in their home country before being employed by Socious Sports and attends a Child Protection workshop upon arrival in the UK

In addition to the coaching each child will receive a Socious Sports rugby ball, sports bag and water bottle. To add to the international flavour, and as a highlight to the end of the workshop, the children will learn the history and significance of the traditional NZ Maori dance "The Haka". A performance of which will be carried out on the Friday afternoon for all to enjoy.

Workshops run Monday – Friday, 9.30am – 3.15pm and cost £125 (inc. VAT & insurance)

Open to players aged 6 – 18

£30.00 deposit only required till May.

Weymouth RFC – w/c 16th August
